Dear Sir:

Applicant previously selected prosecution of Group I, Species C, which is shown in Figure 6 of which claim 20 reads upon.

'Group I' was the designation provided by the Examiner on page 2, paragraph 5 of the November 19, 2002 Office Action. Apparently, Group I is also referred to as Species I in the Office Action. Accordingly, for clarification, Applicant elects prosecution of Species I subspecies C.

Species I, subspecies C also overlaps Species II. Furthermore, as noted by the Examiner, claim 13 is generic to all of the Species indicated by the Examiner.

If any fees or extensions of time are required, please charge to Deposit Account No. 50-1482.

Respectfully submitted,  
**CARLSON, GASKEY & OLDS**
